4.11.4 Encumbrances. Except as set forth in Schedule 4.11.4, with respect to each welfare plan, all claims incurred by Seller are insured pursuant to a contract of insurance whereby the insurance company bears any risk of loss with respect to such claims. No Seller Employee Plan provides medical, health, dental or life benefits (whether or not insured), after an employee’s or other service provider’s termination of employment or service other than COBRA Coverage and other coverage required by applicable Law, the full cost of which is borne by the former employee of Seller and/or his or her qualified beneficiaries. There are no Encumbrances imposed on the Acquired Assets under any Law or regulation and no act or omission has

4.11.5 Accelerated Payments. Neither the execution and delivery of this Agreement, nor the consummation of the transactions contemplated hereby, either alone or in combination with another event (whether contingent or otherwise) will (i) entitle any current or former employee or other service provider of Seller to any payment; (ii) increase the amount of compensation or benefits due to any such employee or other service provider or any such group of employees, consultants, directors or other service providers; (iii) accelerate the vesting, funding or time of payment of any compensation, equity award or other benefit; or (iv) result in any “parachute payment” under Section 280G of the Code (or any corresponding provision of state, local, or foreign tax Law).

4.12 Licenses and Permits. Subject to the period under which licensure by the CDPH has been in suspense, the Hospital is duly licensed as an acute care hospital and holds all Permits required for the Licensed Operations by the appropriate Government Entities.

4.13 Insurance. Schedule 4.13 describes all insurance arrangements, including self-insurance, in place for the benefit of the Acquired Assets and the conduct of the Licensed Operations (collectively, the “**Insurance Policies**”). All Insurance Policies are in full force and

effect and are issued by insurers of recognized responsibility. The insurance coverage provided by the Insurance Policies (a) is on such terms, (b) covers such categories of risk, (c) contains such deductibles and retentions, and (d) is in such amounts as, with respect to each of the criteria set forth in the foregoing clauses (a) through (d), as adequate and suitable for the Acquired Assets and the conduct of the Licensed Operations. With respect to each Insurance Policy, (i) there are no claims pending as to which coverage has been questioned, denied or disputed by the underwriter(s) of such Insurance Policy, (ii) all premiums due have been paid, (iii) no notice of cancellation or termination has been given and (iv) Seller has complied in all material respects with the terms and provisions of such Insurance Policy.

4.14 Government Healthcare Programs. Subject to the period under which licensure by the CDPH has been in suspense, the Hospital is qualified for participation in Government Healthcare Programs. Seller receives payment under the Government Healthcare Programs for services rendered to qualified beneficiaries.

4.15 Medical Staff; Physician Relations. Seller has made available to Buyer complete and genuine copies of the bylaws, policies, rules and regulations of the medical staff and medical executive committee of the Hospital under the Interim Management Services Agreement. To Seller's knowledge, no member of the medical staff of the Hospital has been excluded from participation in any Government Healthcare Program.

4.16 Title to Acquired Assets. Seller has made available to Buyer a true, correct and complete copy of each Contract, together with all amendments, waivers or other changes or modifications thereto to which Seller is a party or to which the Acquired Assets are bound (collectively, the "**Material Contracts**"). The Material Contracts are valid, legally binding and enforceable as to Seller and, as to the other parties thereto, in accordance with their respective terms. Each Material Contract is currently and will be in full force and effect in accordance with its terms upon the Closing Date. Except as described in Schedule 4.16, none of the Material Contracts have been nor will they be prior to the Closing Date, modified, amended or assigned. Except as described in Schedule 4.16, Seller, and to the knowledge of Seller, each other party thereto, has performed all obligations required to be performed by it and is not in default under or in breach of, or in receipt of any claim of default or breach under, any Material Contract. Except as described in Schedule 4.16, there has not occurred any event that, with the lapse of time or the giving of notice or both, would constitute a default by Seller, or to the knowledge of Seller, any of the other parties to such Material Contracts. Except as described in Schedule 4.16, Seller has not received written notice that any party to any Material Contract intends to cancel or terminate any such Material Contract or to exercise or not to exercise any option to renew thereunder. As of the Closing Date, to Seller's knowledge, there will not exist any material Encumbrance other than Permitted Encumbrances on any Real Property or Personal Property governed by a Material Contract, except as disclosed on Schedule 4.16.

4.17 Litigation, Claims and Proceedings. Except as set forth in Schedule 4.17, Seller has not been served with any summons, complaint or written notice to arbitrate, and no suit, litigation, claim (equitable or legal), administrative arbitration, investigation or other proceeding is pending or to Seller's knowledge, threatened, against Seller or affecting the Acquired Assets, the Hospital, or the business of Seller by or before any court, governmental department, commission, board, bureau, agency, mediator, arbitrator or other person or

instrumentality, except: (a) the malpractice or negligence actions, claims, suits or proceedings set forth in Schedule 4.17; (b) the contract or general liability actions, claims, suits, or proceedings set forth in Schedule 4.17; and (c) Seller's pending Chapter 9 Proceeding and the claims, objections and proceedings therein. None of the actions, claims, suits, proceedings and matters set forth in Schedule 4.17 materially affects the value of the Acquired Assets, materially impairs the ability of Seller to perform Seller's obligations hereunder, or involves the likelihood of any material and adverse effect on the ability of Buyer to use the Acquired Assets purchased hereunder as previously used by Seller.

4.18 Orders, Decrees and Rulings. Except as described in this Agreement, Seller is not a party to any order, decree or ruling of any court or administrative agency, federal, state or local, nor has Seller any contracts, formal or informal, with any such agency that could materially and adversely affect the ability of Seller to perform its obligations hereunder or conduct its business or the ability of Buyer to own the Acquired Assets and to conduct its business as previously conducted by Seller.

4.19 Compliance with Law. To the knowledge of Seller, except as provided in Schedule 4.19, Seller is not in violation of any Laws, including Healthcare Laws, applicable to Seller, the operation of the Hospital or the Acquired Assets, which would in any manner materially and adversely affect Seller's ability to perform its obligations hereunder or Seller's operation of the Hospital or the Acquired Assets.

4.20 Broker's and Finder's Fees. Seller has had no dealing with any agent, broker, representative or other person so as to entitle such agent, broker, representative or other person to any commission or finder's fee in connection with the transactions described herein.

4.21 Medical Records. Seller has maintained the confidentiality of all Medical Records as required by and in conformance with all applicable Laws, including HIPAA, and regulations. To Seller's knowledge, no Medical Records have been transferred to any individual or entity against the request of any patient prohibiting Hospital from transferring his or her patient information or records.

4.22 Accuracy of Representations and Warranties. To the knowledge of Seller, no representation or warranty of Seller contained in this Agreement, or any statement, document or certificate furnished or to be furnished to Buyer, or in connection with the transactions contemplated hereby, is or will be, as of the Closing, incomplete, inaccurate, or contain any untrue statement of any material fact known to Seller, or intentionally omit to state any material fact known to Seller necessary to make the statements contained therein not misleading.

4.23 Survival of Representations and Warranties. The representations and warranties by Seller set forth in Article 4 are true and complete on the Execution Date and shall be true and complete on and as of the Closing Date as though said representations, warranties and agreements were made on the Closing Date; provided, however, that the representations and warranties by Seller set forth in Sections 4.3, 4.9, 4.10, 4.11 and 4.19 shall also continue until, and be true and complete on, the date that is sixty (60) days following the Closing Date as though said representations, warranties and agreements were made on such date. Except as may

be expressly noted otherwise in the foregoing sentence and elsewhere herein, the representations and warranties shall expire and terminate as of the Closing.

4.24 No Other Representations. Except for the representations and warranties contained in this Article 4 (as modified by the Schedules) and in any certificate delivered by or on behalf of Seller hereunder, Seller makes no express or implied representation or warranty, and Seller hereby disclaims any such representation or warranty, with respect to the execution and delivery of this Agreement and the other transaction documents and the consummation of the transactions contemplated hereunder and thereunder. Notwithstanding anything herein to the contrary, Buyer shall not be deemed to have waived the right to bring any claim or action based on actual fraud. Nothing contained in this Section 4.24 is intended to (i) negate or alter the indemnification obligations of any Party under this Agreement, or (ii) preclude any remedy for fraud or constitute an admission by any Party that any element of a claim for actual fraud cannot be established.

ARTICLE 5.

REPRESENTATIONS AND WARRANTIES OF THE ADVENTIST PARTIES

The following representations, warranties and agreements are made by Buyer and Adventist Health for the purpose of inducing Seller to enter into this Agreement and consummate the sale and purchase of the Acquired Assets. The representations based on the knowledge of Buyer and/or Adventist Health (“**Buyer’s Knowledge Representations**”) shall be limited to the actual knowledge of Buyer and/or Adventist Health, as the case may be. Seller acknowledges that Buyer has not undertaken any investigation related to Buyer’s Knowledge Representations out of the ordinary course of their business.

5.1 Organization and Standing. Each Adventist Party is a California nonprofit religious corporation duly formed and in good standing under the Laws of the State of California. Buyer possesses all requisite power and authority necessary to carry on the operations of the Hospital as the same are now being conducted. Adventist Health is exempt from taxation as an organization described under Section 501(c)(3) of the Code and Section 23701(d) of the Revenue and Taxation Code of the State of California, and has been determined to qualify for tax-exempt status under rulings of the Internal Revenue Service and from the Franchise Tax Board of the State of California, which rulings have not been revoked, rescinded or modified. To the knowledge of Adventist Health, neither Adventist Health nor any of its Affiliates has received any information that (i) its tax-exempt status may be revoked, rescinded, modified or under review, or (ii) it or its officers, directors, employees or other individuals may be subject to excise taxes imposed under Section 4958 of the Code.

5.2 Authority, Validity and Binding Effect. The execution and delivery of this Agreement, and each of the documents to be executed by or on behalf of each of Buyer and Adventist Health pursuant to this Agreement, and the performance of the transactions contemplated hereby, have been duly authorized by the respective Boards of Directors and by all other necessary corporate actions on the part of Buyer and Adventist Health. Buyer and Adventist Health have all requisite power and authority to enter into, consummate, perform and carry out all of the terms and provisions of this Agreement. This Agreement is a legal, valid and binding obligation of Buyer and Adventist Health, enforceable against Buyer and Adventist

Health respectively in accordance with its terms, except insofar as enforcement thereof may be limited by bankruptcy, moratorium, insolvency or similar Laws affecting creditor's rights, and all general equitable principles.

5.3 No Violation or Bar.

5.3.1 Articles, Bylaws, and Corporate Documents. Neither the execution and delivery of this Agreement nor the consummation of the transactions contemplated hereby violates or conflicts with any material provision of the Articles of Incorporation or Bylaws of Buyer or Adventist Health.

5.3.2 Laws, Regulations, Orders and Decrees. Each of Adventist Health and Buyer, represent and warrant that neither the execution and delivery of this Agreement nor the consummation of the transactions contemplated hereby: (a) violates or conflicts with any order of any governmental or regulatory authority, any judgment, decree, order or award of any court, arbitrator, administrative agency or Government Entity, or any Government Authorization; or (b) requires any Government Authorization which has not been obtained of any Government Entity.

5.3.3 Contracts and Other Obligations. Neither Buyer nor Adventist Health is a party to any contract or agreement or subject to any restriction respecting the Acquired Assets or otherwise, including, without limitation any noncompetition or nonsolicitation covenants, which would prevent or restrict the power or authority of Buyer or Adventist Health to enter into this Agreement and to consummate the transactions contemplated hereby.

5.4 **Litigation, Claims and Proceedings.** Neither Adventist Health nor Buyer has been served with any summons, complaint or written notice to arbitrate, and no suit, litigation, claim (equitable or legal), administrative arbitration, investigation or other proceeding is pending or threatened against the respective Adventist Party by or before any court, governmental department, commission, board, bureau, agency, mediator, arbitrator or other person or instrumentality, which would materially and adversely affect Buyer's ability to perform its obligations hereunder and consummate the transactions contemplated by this Agreement.

5.5 **Broker's and Finder's Fees.** Neither Buyer nor Adventist Health has had any dealing with any agent, broker, representative or other person so as to entitle such agent, broker, representative or other person to any commission or finder's fee in connection with the transactions described herein.

5.6 **Orders, Decrees and Rulings.** Neither Buyer nor Adventist Health is a party to any order, decree or ruling of any court or administrative agency, federal, state or local, nor is either a party to any contracts, formal or informal, with any such agency that could materially and adversely affect the ability of Buyer or Adventist Health to perform its obligations hereunder.

5.7 **Compliance with Law.** To the knowledge of Buyer and Adventist Health, neither is in violation of any Laws, including Healthcare Laws, applicable to Buyer or Adventist

Health that could materially and adversely affect the ability of Buyer or Adventist Health to perform its obligations hereunder.

5.8 Accuracy of Representations and Warranties. To the knowledge of Buyer and Adventist Health, no representation or warranty of Buyer or Adventist Health contained in this Agreement, or any statement, document or certificate furnished or to be furnished to Seller, or in connection with the transactions contemplated hereby, is or will be, as of the Closing, incomplete, inaccurate, or contain any untrue statement of any material fact known to Buyer or Adventist Health, or intentionally omit to state any material fact known to Buyer or Adventist Health necessary to make the statements contained therein not misleading.

5.9 Survival of Warranties, Representations and Agreements. The warranties, representations and agreements by Buyer and Adventist Health set forth in this Article 5 are true and complete on the Execution Date and shall be true and complete on and as of the Closing Date as though said representations, warranties and agreements were made on and as of the Closing Date. Except as may be expressly noted otherwise herein, the representations and warranties set forth in this Article 5 shall expire and terminate as of the Closing.

5.10 No Other Representations. Except for the representations and warranties contained in this Article 5 (as modified by the Schedules) and in any certificate delivered by or on behalf of Buyer hereunder, Buyer makes no express or implied representation or warranty, and Buyer hereby disclaims any such representation or warranty, with respect to the execution and delivery of this Agreement and the other transaction documents and the consummation of the transactions contemplated hereunder and thereunder. Notwithstanding anything herein to the contrary, Seller shall not be deemed to have waived the right to bring any claim or action based on actual fraud. Nothing contained in this Section 5.10 is intended to (i) negate or alter the indemnification obligations of any Party under this Agreement, or (ii) preclude any remedy for fraud or constitute an admission by any Party that any element of a claim for actual fraud cannot be established.

ARTICLE 6.

PRE-CLOSING COVENANTS OF THE PARTIES

6.1 Operation of the Hospital and Acquired Assets Pending Closing. During the period from the Execution Date until the Closing Date, the board of directors of Seller has not and will not, without the consent of Buyer (which consent may be withheld or granted in Buyer's sole discretion) and/or pursuant to the Interim Management Services Agreement:

6.1.1 Sale or Transfer. Authorize or approve the transfer, sale or other disposition of any of the Acquired Assets or the Hospital Campus Real Property other than in the ordinary and usual course of business as heretofore conducted, except for such items as are no longer useful, or obsolete, worn out or incapable of any further use, and as will be replaced in accordance with Seller's usual practice with other items of substantially the same value and utility as the items transferred, sold, exchanged or otherwise disposed of.

6.1.2 Liens. Authorize or approve the creation, participation in or agreement to the creation of any liens, encumbrances or hypothecations of any of the Acquired Assets or the Hospital Campus Real Property, except any liens for current taxes not yet due and payable and liens created in the ordinary and usual course of its business as heretofore conducted.

6.1.3 Leases and Contracts. Authorize or approve the execution of any lease, contract or agreement of any kind or character with respect to the Hospital or the Licensed Operations, or incur any liabilities in connection therewith, save and except (a) those which will terminate or expire prior to the Closing Date; and (b) those to which it is presently committed or that arise in the ordinary and usual course of business as heretofore conducted.

6.1.4 Termination of License. Authorize or approve the termination of any Permits concerning the Hospital or the Licensed Operations.

6.1.5 Waiver of Right. Authorize or approve the waiver or release of any right or claim of Seller with respect to the Hospital or the Licensed Operations except in the ordinary course of business.

6.1.6 Employee Matters. (i) Hire or terminate any employee, (ii) pay, announce, promise or grant, whether orally or in writing, any increase in or establishment of (as applicable) any wages, base pay, fees, salaries, compensation, bonuses, incentives, deferred compensation, pensions, severance or termination payments, retirement, profit sharing, fringe benefits, equity or equity-linked awards, employee benefit plans, or any other form of compensation or benefits payable by Seller, including, without limitation, any increase or change pursuant to any Seller Employee Benefit Plan (except as required by any applicable Law), or (iii) enter into, adopt or materially amend any Seller Employee Benefit Plan.

6.2 Contracts and Process for Assumption

6.2.1 Modification of Assumed Contracts. Buyer shall have the right to negotiate at any time after the Execution Date with any party to an Assumed Contract for modification of or an earlier termination of such Assumed Contract, provided that such modifications or terminations are effective only on or after the Closing Date.

6.2.2 Third-Party Consents. Notwithstanding any provision to the contrary contained in this Agreement, Seller shall use its best efforts and work cooperatively with Buyer to obtain any required consent for assignment of the Assumed Contracts prior to the Closing, and any and all liability resulting from the failure to obtain any required consent for assignment of the Assumed Contracts shall rest with Seller. Notwithstanding the foregoing, to the extent consent to assignment of any Assumed Contract is not obtained as of the Closing, Seller and Buyer shall use their reasonable commercial good faith efforts to mitigate any costs, losses or damages associated with the failure to obtain such consents prior to the Closing.

6.3 Access to Information. Buyer and Seller acknowledge that, prior to the execution of this Agreement, Buyer has had reasonable access to the Hospital, the property and the records of Seller relating to the Acquired Assets and has, in fact, availed itself of this access to perform many of the inspections, investigations and reviews that it has desired, in particular

under the Interim Management Services Agreement, but if Buyer desires to make further inspections, investigations and reviews, therefore, from the date of execution and delivery of this Agreement through the Closing Date, Seller agrees to continue to afford to the officers, employees and representatives of Buyer, reasonable access to the Hospital, the property and records of Seller relating to the Acquired Assets during all reasonable times pursuant to the Interim Management Services Agreement so that Buyer may have full opportunity to make such investigation as it shall desire of the affairs of the Hospital.

6.4 Title.

6.4.1 Title Report. Buyer will obtain from a reputable title insurance company (the “**Title Company**”) a preliminary title report or title commitment for title insurance on the Hospital Campus Real Property (the “**Title Report**”), together with copies of all items shown as recorded exceptions to title therein, and will review and investigate any and all conditions and aspects of title to the Hospital Campus Real Property and obtain and review additional documentation relating to the ownership of the Hospital Campus Real Property including, without limitation, an “express map” of the Hospital Campus Real Property, obtained by Buyer at Buyer’s sole cost (collectively, the “**Express Map**”), and zoning reports prepared for the Hospital Campus Real Property by the Planning and Zoning Resource Corporation, one of its affiliated organizations or any other third-party providing zoning reports (the “**Zoning Reports**”).

6.4.2 Buyer Objections. No later than the date that is twenty (20) days prior to the Closing Date, Buyer shall notify Seller in a reasonably detailed writing (the “**Title Objection Notice**”) which exceptions to the Title Report and the Express Map (including survey and zoning matters), if any, will not be accepted by Buyer with respect to the Hospital Campus Real Property. Seller shall have ten (10) Business Days after receipt of the Title Objection Notice to notify Buyer in writing that Seller either (i) will remove such objectionable exception from title before any exercise by Buyer of any of the Real Property Purchase Options pursuant to the Lease, or (ii) elects not to cause such exception to be removed (a “**Non-Removal Notice**”). If Seller fails to notify Buyer of its election within said ten (10) Business Day period, then Seller shall be deemed to have delivered a Non-Removal Notice. If Seller delivers a Non-Removal Notice to Buyer, then Buyer shall have until the date that is five (5) Business Days after the date that Buyer has received the Non-Removal Notice to notify Seller in writing that Buyer elects to either (A) nevertheless proceed with the transactions contemplated herein subject to such exceptions (in which event all such exceptions shall be deemed to constitute Permitted Real Property Encumbrances), or (B) terminate this Agreement. If Buyer fails to notify Seller in writing of its election on or prior to the expiration such five (5) Business Day period, then Buyer shall be deemed to have elected to terminate this Agreement.

6.4.3 New Encumbrances. Buyer shall have the right to review and approve any new exceptions to title that, if not cured, removed or otherwise remedied, would encumber the Hospital Campus Real Property at Closing to the extent such new exceptions arise after the date of the Title Report (collectively, the “**New Encumbrances**”). Any New Encumbrance must be either approved or disapproved by Buyer within ten (10) Business Days of Buyer’s receipt of written notice of such New Encumbrance. Any such New Encumbrance not approved or disapproved within such ten (10) Business Day period shall be deemed a Permitted Real Property

Encumbrance for purposes of this Agreement. If Buyer disapproves any New Encumbrance (“**Objectionable Encumbrance**”) within such ten (10) Business Day period, Seller may elect (but shall not be obligated) to remove or cause to be removed, at its sole cost and expense, any Objectionable Encumbrances (other than the Removable Objections, which Seller shall in all cases be obligated to remove as exceptions to title) before any exercise by Buyer of any of the Real Property Purchase Options pursuant to the Lease. Seller shall notify Buyer in writing within ten (10) Business Days after receipt of Buyer’s notice of Objectionable Encumbrances whether Seller elects to remove such Objectionable Encumbrances (other than the Removable Objections) as described above. If Seller elects in writing not to remove one or more Objectionable Encumbrances (other than the Removable Objections), Buyer may elect, to either (a) terminate this Agreement by giving written notice to Seller within five (5) Business Days after Buyer’s receipt of Seller’s election, or (b) waive such Objectionable Encumbrances, in which event such Objectionable Encumbrances shall be deemed additional Permitted Real Property Encumbrances and the Closing shall occur as herein provided. Notwithstanding the foregoing, Seller shall be obligated at or before Closing to cause the release of the Encumbrances of all monetary Encumbrances (and exceptions removable solely by the payment of money) encumbering the Hospital Campus Real Property or any portion thereof (collectively, the “**Removable Objections**”).

6.5 Access to Hospital Campus Real Property.

6.5.1 Inspection Period. Subject to the terms and conditions set forth in this Section 6.5, commencing on the Execution Date and continuing until 5:00 p.m. (Pacific Time) on December 31, 2018 or some later mutually agreeable date (such period, the “**Inspection Period**”), and notwithstanding Buyer’s access to the Hospital Campus Real Property pursuant to the Interim Management Services Agreement, upon reasonable advance notice to Seller, Buyer shall conduct its Site Testing (as defined below). Buyer shall at all times (and shall cause Buyer’s representatives to) conduct its entry onto the Hospital Campus Real Property pursuant to this Section 6.5 so as to not cause any liability, lien, damage, loss, cost or expense to Seller or the Hospital Campus Real Property, and Buyer hereby agrees to indemnify, defend, and hold Seller harmless from and against any such liability, lien, damage, loss, cost or expense (except to the extent arising from the negligence or willful misconduct of Seller or any of their employees, agents or contractors, or any pre-existing conditions that are not exacerbated by Buyer or any representatives of Buyer).

6.5.2 Testing. The Parties hereto understand, acknowledge and agree that during the Inspection Period, as part of Buyer’s due diligence, Buyer intends to conduct physical testing (environmental including, without limitation, a Phase I environmental site assessment, structural or otherwise) at the Hospital Campus Real Property (such as water samplings or the like) (collectively, “**Preliminary Site Testing**”) and Seller, subject to the provisions herein, hereby consent to such testing. To the extent that the final report resulting from any Phase I environmental site assessment made of any Hospital Campus Real Property or the improvements located thereon reveals or reports recognized or identified environmental conditions suggesting that any investigation that would be considered a “Phase II Site Assessment” with respect to such Hospital Campus Real Property or improvements is reasonably warranted and Buyer desires to undertake such investigation (the “**Phase II Site Testing**” and collectively, with the Preliminary

Site Testing, the “**Site Testing**”), Buyer shall conduct any such Phase II Site Testing and Seller, subject to the provisions herein, hereby consents to such testing. Buyer shall, at its expense, promptly repair any damage to the Hospital Campus Real Property caused by Buyer, its agents or its contractors, in whatever manner reasonably necessary, after Buyer’s, its agents’ or its contractors’ entry thereon so that the adversely affected Hospital Campus Real Property shall be restored to substantially the same condition that existed prior to Buyer’s, its agents’ or its contractors’ entry thereon.

6.5.3 Buyer Obligations. In the event of any termination hereunder, Buyer shall return all documents and other materials furnished by Seller with respect to the Hospital Campus Real Property. No information or knowledge obtained in any investigation pursuant to this Section shall affect or be deemed to modify any representation or warranty contained in this Agreement or the conditions to the obligations of the Parties hereunder. Buyer shall keep the Hospital Campus Real Property free and clear of all mechanics’ or materialmen’s liens arising from or related to Buyer’s due diligence efforts and shall take all necessary actions, at Buyer’s sole cost and expense, to remove any such liens that encumber the Hospital Campus Real Property to the extent that the existence of such liens shall have a material adverse effect on Seller (including, without limitation, causing Seller to be in default of any of its obligations or agreements), the Hospital Campus Real Property (or any portion thereof) or the Licensed Operations.

6.5.4 Survival. The provisions of this Section shall survive any Closing or earlier termination of this Agreement.

6.6 Material Changes. During the period from the Execution Date to the Closing Date, Seller shall promptly notify Buyer in writing of any event of which Seller obtains knowledge which has had or might reasonably be expected to cause any representation or warranty set forth in Article 4 to be untrue or inaccurate in any material respect and of any event reasonably expected to have a material and adverse effect on the Acquired Assets, the Licensed Operations, the Assumed Liabilities or the Hospital Campus Real Property. From time to time prior to the Closing Date, Seller will promptly supplement or amend the Exhibits and Schedules hereto with respect to any matter hereafter arising or not known to Seller, which, if existing or occurring at or prior to the Execution Date of this Agreement would have been required to be set forth or described in an Exhibit or Schedule or in any representation or warranty of Seller which has been rendered inaccurate thereby.

6.7 Regulatory Approvals. Except for the approvals identified in Section 4.5.2 and Schedule 6.7 hereof, Buyer shall secure all regulatory approvals, consents or authorizations necessary to consummate the transactions described herein.

6.8 Government Authorizations.

6.8.1 Government Authorizations. Except for the approvals identified in Section 4.5.2 and Schedule 6.8.1 hereof, Buyer shall promptly apply for and use commercially reasonable efforts to obtain, as promptly as practicable, all material Government Authorizations.

6.8.2 Cooperation. Except as otherwise provided herein, each Party shall reasonably cooperate with the other Parties and respective representatives and attorneys: (i) in the efforts to obtain all Government Authorizations and Permits required to carry out the transactions contemplated under this Agreement (including those of Government Entities) or which the Party reasonably deems necessary or appropriate, and (ii) in the preparation of any document or other material which may be required by any Government Entity as a predicate to or result of the transactions contemplated under this Agreement.

6.9 Exhibits and Schedules.

6.9.1 Modification. From time to time prior to the Closing, Seller shall supplement or amend (in each case, a **“Modification”**) the Exhibits and Schedules hereto in order to keep the information therein timely, complete and accurate. Each Modification of the Exhibits and Schedules made pursuant to this Section 6.9 shall, subject to compliance with the conditions set forth in this Section 6.9, be deemed to amend the Exhibits and Schedules as of that date; provided that, if any such Modification reflects an item that has a material adverse effect on the representation or warranty to which it relates, then Buyer may terminate this Agreement as set forth in this Section.

6.9.2 Completion of Exhibits and Schedules. The Parties acknowledge that all of the Exhibits and Schedules anticipated to have been delivered by Seller pursuant to this Agreement have been completed on or prior to the Execution Date by Seller but that such Exhibits and Schedules may be amended or supplemented pursuant to a Modification after the Execution Date in accordance with the terms herein. All Exhibits and Schedules attached to this Agreement shall be binding on the Parties unless and until amended or supplemented pursuant to this Section, if at all, or until termination of this Agreement.

6.9.3 Modification After Execution Date. With respect to any fact or condition that that did not exist as of the Execution Date that, after the Execution Date, causes any Exhibit or Schedule delivered by Seller to become incomplete, inaccurate or misleading, Seller shall prepare or complete and deliver in writing to Buyer a draft of Seller’s proposed Modification to such Exhibit or Schedule as soon as possible after becoming aware of the need for a new or revised Exhibit or Schedule.

6.9.4 Review by Buyer. Upon receipt of the draft Modification, Buyer shall review it and determine in good faith whether such draft Modification reflects an item that has a material adverse effect on the representation or warranty to which it relates.

6.9.5 No Material Adverse Effect. If such draft Modification does not reflect an item that has a material adverse effect on the representation or warranty to which it relates, as determined in good faith by Buyer, it shall thereupon be added to the applicable Exhibit or Schedule, and such Exhibit or Schedule shall be deemed a final Exhibit or Schedule (each, a **“Final Schedule”**).

6.9.6 Material Adverse Effect. If the draft Modification is determined by Buyer in good faith to reflect an item that has a material adverse effect on the representation or warranty to which it relates, Buyer shall notify Seller in writing of its objection thereto within

five (5) Business Days after receipt of the draft Modification, and Seller and Buyer shall negotiate in good faith to resolve such objections. If they reach agreement with respect to Buyer's objections, the draft Modification (revised to reflect the agreement resolving Buyer's objections) shall be added to the applicable Exhibit or Schedule, initialed by the Parties, and deemed a Final Schedule. If the Parties are unable to agree (i) within five (5) Business Days after Buyer notifies Seller in writing of its objections or (ii) by Closing, whichever is earlier, then either Party may terminate this Agreement pursuant to Section 11.1.4.

6.9.7 Final Schedule. Each Final Schedule shall be deemed to be the Exhibit or Schedule referred to in this Agreement and shall be part of this Agreement.

6.9.8 Buyer Discretion. During the period from the Execution Date to the Closing Date, if Seller becomes aware of (i) any fact or condition that existed on the date hereof that causes or constitutes a breach of any of Seller's representations and warranties as of the Execution Date or (ii) any event reasonably expected to have a material and adverse effect on the Acquired Assets, the Licensed Operations, the Assumed Liabilities or the Hospital Campus Real Property, Seller shall promptly notify Buyer in writing of such fact or condition and deliver to Buyer a proposed Modification to any applicable Exhibit or Schedule, and the addition of such Modification to the Final Schedule shall be in the sole discretion of Buyer.

6.9.9 Closing. The ability to amend the Exhibits and Schedules and create a new Final Schedule shall continue until the Closing, at which time all Exhibits and Schedules must be Final Schedules.

6.10 Plan of Adjustment. The Parties hereby understand, acknowledge and agree that the plan of adjustment in connection with the Chapter 9 Proceeding shall not amend, modify or contradict any provision of this Agreement, the Interim Management Services Agreement, the Financing Documents or the Lease.

ARTICLE 7.

CONDITIONS PRECEDENT TO CLOSING

7.1 Conditions Precedent to Buyer's Obligations. Buyer's obligation to consummate the transactions contemplated hereby is conditioned and contingent upon each of the following:

7.1.1 Casualty to Acquired Assets. The absence of the occurrence, during the period from the Execution Date to the Closing Date, of any (a) loss or damage to the Acquired Assets (including, without limitation, by reason of casualty or condemnation) or the Hospital Campus Real Property which would materially impair, in the reasonable judgment of Buyer, Buyer's ability to operate the Hospital after the Closing Date, or (b) except as otherwise provided for in this Agreement, changes in the liabilities (contingent or otherwise), business, employee relations, or staff relations of Seller, other than changes which are in the aggregate not material and adverse to Buyer. The foregoing condition shall be conclusively deemed satisfied unless Buyer, prior to the Closing Date, gives Seller written notice of the failure of this condition.

7.1.2 Compliance with Agreement. Seller's performance of and compliance with all covenants, agreements, conditions, terms and provisions required by this Agreement, the Interim Management Services Agreement, the Financing Documents and the Lease to be performed or complied with by Seller prior to the Closing Date.

The obligation to conduct a Meet and Confer pursuant to this Section 10.1.2 does not obligate any Party to agree to any compromise or resolution of the Dispute that such Party does not determine, in its sole and absolute discretion, to be a satisfactory resolution of the Dispute. The Meet and Confer shall be considered a settlement negotiation for the purpose of all applicable laws protecting statements, disclosures, or conduct in such context, and any offer in compromise or other statements or conduct made at or in connection with any Meet and Confer shall be protected under such laws, including California Evidence Code Section 1152.

The arbitration shall be administered by Judicial Arbitration and Mediation Services, Inc. (“*JAMS*”) pursuant to its Comprehensive Arbitration Rules and Procedures. (a) Either Party may commence arbitration by giving written notice to the other Party demanding arbitration (the “*Arbitration Notice*”). The Arbitration Notice shall specify the Dispute, the particular claims and/or causes of action alleged by the Party demanding arbitration, and the factual and legal basis in support of such claims and/or causes of action.

In the event the Parties are unable or fail to agree upon the arbitrator within the allotted time, the arbitrator shall be appointed by JAMS in accordance with its rules. All arbitrators shall serve as neutral, independent and impartial arbitrators, and they shall have the authority to grant any relief permitted by law, including equitable relief.

(c) The Parties shall be entitled to reasonable production of relevant, non-privileged documents, carried out expeditiously. If the Parties are unable to agree upon same, the arbitrator shall have the power, upon application of any Party, to make all appropriate orders for production of documents by any Party. Depositions shall be permitted only upon a showing of substantial need.

(e) The following time limits are to apply to any arbitration arising out of or related to this Agreement: The evidentiary hearing on the merits (“**Hearing**”) is to commence within six (6) months of the service of the arbitration demand. A brief, reasoned award is to be rendered within forty-five (45) days of the close of the Hearing or within forty-five (45) days of service of post-hearing briefs if the arbitrator directs the service of such briefs. The arbitrator must agree to the foregoing deadlines before accepting appointment. Failure to meet any of the foregoing deadlines will not render the award invalid, unenforceable or subject to being vacated.

(f) The Parties shall maintain the confidential nature of the arbitration proceeding and the award, including the Hearing, except as may be necessary to prepare for or conduct the arbitration hearing on the merits, or except as may be necessary in connection with a court application for a preliminary remedy, a judicial challenge to an award or its enforcement, or unless otherwise required by law or judicial decision.

(g) The award of the arbitrator shall be final and binding upon the Parties without appeal or review except as permitted by applicable law.

10.2 Provisional Measures. Nothing in this Agreement shall prevent either Party from seeking provisional measures from any court of competent jurisdiction, and any such request shall not be deemed incompatible with the agreement to arbitrate or a waiver of the right to arbitrate.

10.3 Attorneys' Fees and Costs. The arbitrator(s) in the Sections 10.1.3 shall award to the prevailing Party, if any, the costs and attorneys' fees reasonably incurred by the prevailing Party in connection with the arbitration.
