

Tulare Local Healthcare District dba Tulare Regional Medical Center

Agenda Item

Board Meeting Date: 08-16-18

Title to Appear on Agenda: Nurse call system replacement-ICU/PICU

Brief Description: Installation of a new Nurse Call system for ICU and PICU.

Background and Details: The initial proposal was to go with Siemens however Adventist proposed that we move to Rauland nurse call system which compliments the current Adventist system that is being used there. The Rauland system also offers a 5 year manufacture warranty versus the 1 year by Siemens system. The current system is no longer functional. Some of the call lights and emergency call lights are non-functional. This is a Major life Safety Component as well as customer service. This will be an OSHPD project.

Multiple bids are attached

Nurse call system-ICU-**\$79, 392** PICU-**\$46,292**

Architect Fees-**\$27,756**

Cost associated with this does not include OSHPD permits/approvals and Inspector of Record Fees.

Exhibits: See attached

Recommended Action: Hospital Board approve Central California Electronics in addition to the utilization of services by Christiansen Group to proceed with proposed scope of work delineated in proposals.
