LOCAL PREFERENCE DECLARATION FORM

1.0 Intent

- a. The Tulare Local Healthcare District (hereinafter referred to as “DISTRICT”) is soliciting Statement of Qualifications (SOQ) from qualified firms (hereinafter referred to as “ARCHITECT”) to provide California Office of Statewide Health Planning and Development (OSHPD) professional architectural/engineering bidding and construction administrative services necessary to ensure the adequate completion of the Tulare Hospital Tower Project (“Project”).
- b. Background: The DISTRICT is a public agency organized under the provisions of Division 23 of the California Health and Safety Code and tasked with servicing and underserved, under-insured/uninsured population residing in the southwestern portion of Tulare County, California, including in the cities of Tulare, Angiola, Earlimart, Pixley, Plainview, Tipton, Waukena, and Woodville. The stated mission of the DISTRICT is to “provide safe efficient, technologically advanced healthcare with respect for the diversity of our region”. In 2004, the DISTRICT embarked on building the Tower adjacent to the existing Tulare Regional Medical Center Hospital (“Hospital” in order to provide additional space in which to facilitate safe, efficient care utilizing infrastructure and equipment with state of the art technology, while also meeting State of California seismic requirements. An \$85-million bond was passed in 2005 as part of a capital campaign to construct the Tower and construction began in 2010, but, as of yet, is not complete. The PROJECT is an important facet to the DISTRICT’s ongoing and diligent efforts to provide services to the community in accordance with its mission and is a key component of the Hospital’s long-term strategy for wellness in the region. The PROJECT still has an active permit under the 2007 California Building Code with OSHPD. It is now come time to successfully complete the PROJECT and full architectural and engineering bidding and construction administrative services are a necessary component in getting this accomplished. Hard copies and a pdf set of the OSHPD permitted drawings will be available. CAD drawings will not be available.

2.0 Required Pre-Qualifications

- a. Only those ARCHITECTS who are able to meet the qualifications set forth in this Request for Qualifications (RFQ) shall be considered during this solicitation.
- b. Licensing Requirements: ARCHITECTS and their subconsultants must possess and maintain at all times during the ARCHITECT’S provision of services related to the PROJECT a licensure to practice Architecture and/or Engineering in the State of California.
- c. ARCHITECT must have the knowledge and experience working with OSHPD and also have experience working in a hospital setting.
